

Who We Are/Mission Statement

O'Connor Mamas and Papas was created and incorporated in July of 2005 with the Secretary of State of Texas. ODMP was formed with the purpose of providing assistance (including financial) and support to the O'Connor High School Theatre Arts Department. ODMP provides a way for parents, students and community members to get involved in supporting student achievement in theatre arts. Support from parents is essential to the success of our program. ODMP believes strongly that parent involvement during the high school years can be a key to the success of the individual student.

ODMP provides financial support through memberships and fundraising activities. Throughout the year, ODMP fund raises through after school concessions, playbills, concessions during productions and other school events.

ODMP annually awards college scholarships to graduating Thespian seniors with funds raised during the Helotes Cornyval in May of each year.

ODMP Projects:

Fundraising

- After school concessions through the school year.
- Concessions during the fall production and musical.
- Playbills for the fall production and musical.
- Cornyval
- Coke Fundraiser

Fall Production and Musical Support

- Coordination of Production Day dinners.
- Playbill
- Fan Grams
- Concessions
